**PHIL TURNBULL**

**MEDICAL SALES REPRESENTATIVE – ARTHREX INC.**

Phil is currently a medical sales representative, OR consultant with Arthrex Inc. Prior to joining Arthrex, Phil oversaw the day-to-day operations of the orthopedic, podiatry, pain management and chiropractic services as the Musculoskeletal Service Line Manager at Prevea Health.

Phil earned his undergraduate degree at Lakeland College in Sheboygan, WI, studying Human Biology and Exercise Science. Graduating as a licensed athletic trainer, Phil has worked with athletes of all levels, and previously as Head Athletic Trainer at Ashwaubenon High School. Phil has also served on numerous community event committees including the Bellin Run and Cellcom Green Bay Marathon, and has worked with the Green Bay Chamber of Commerce, and Green School District to promote health lifestyles to youth and the concept that movement can stimulate learning in the classroom.

As a 2013 graduate of Leadership Green Bay, Phil worked in coordination with Brown County Human Services PALS program to help create and promote Parent PALS. Parent PALS is a service along with Child Protective Services that provides volunteer support and mentoring to parents and families open to making change in their household so that they no longer need CPS.

In addition to his work with AEF, Phil also serves as a board member with Ashwaubenon Youth Baseball. As residents of Ashwaubenon, Phil and his wife, Kristin, have two very active children currently enrolled in youth sports, dance, gymnastics and various school sponsored extracurricular activities.
